29 population growth s pdf -
Christian population growth is the
population growth of the global
Christian community. According
to a 2011 Pew Research Center
survey, there were 2.19 billion
Christians around the world in
2010, more than three times as
much from the 600 million
recorded in 1910, however this
rate of growth is slower than the
overall population growth over
the ... Sat, 16 Jun 2018 05:36:00
