Caption Thread. Weh. I guess the
/d/ threads are dead for good?
Bizarrely, general caption and
Elzi's caption threads were the
only ones that got nuked; the 'futa
dom world' caption threads were
free to continue living a life of
religious fulfilment, apparently.

COYA Sissy Life - 8chan - What
about a thread where we share
our favourite femiinzation
stories!?! I personally prefer a
rather realistic than over the top
setting with not too much detail
- about a dressing up, master/slave,
sissy high heels and stuff since
this doesn't do anything for the
actual feminization process and is
rather unrealistic. Sun, 17 Jun
